About us -

UM ORTHOTICS PVT. LTD. is a leading manufacturer of Orthopaedic and Rehabilitation products with over 16+ years of industry experience. We are committed to maintaining high manufacturing standards while consistently following proven quality practices to deliver reliable healthcare solutions.

ETHICAL VISION

We believe a strong brand is built at the intersection of clear vision, ethical values, and a customer-focused culture.

STATEMENT OF VALUES

A customer-centric approach forms the core of our corporate strategy. By understanding customer needs and designing meaningful experiences, we empower our frontline teams and leverage feedback to drive continuous improvement across our product range. This strong focus on values and customer satisfaction has positioned UM as one of the most trusted and preferred brands in orthopaedic supports.

UM specializes in manufacturing a wide range of orthopaedic products, including body belts and supports, cervical supports, ankle supports, finger splints, knee braces, wrist and forearm braces, traction kits, and silicone products. Our dedicated research and development team continuously works to reduce discomfort and stress for patients, caregivers, and families by delivering effective and dependable solutions.

We believe in building long-term relationships with our clients and strive to ensure consistent satisfaction. For added convenience and transparency, a detailed catalogue has been provided in the following pages, offering guidance on product usage, raw materials, and our commitment to quality manufacturing.
